

Support McAuliffe Elementary

Make Your Volunteer Hours Count!

As you know, Microsoft provides matching funds for donations made to charitable organizations. They also provide money for volunteer hours worked.

Microsoft will donate \$25 for every volunteer hour worked by a Microsoft employee at McAuliffe Elementary.

Your volunteer hours will not only provide adult support of our student, but also funds needed to purchase resources that enhance the educational experience of our students. McAuliffe Elementary is asking you to consider donating your hours to our school.

Examples of possible contributions include:

- \$25.00 for leading a small group in your child's class (1 hour)
- \$100.00 for volunteering as a chaperone on a field trip (4 hours)
- \$162.50 for one day of volunteering as a Watch DOG (6.5 hours)
- \$1,350.00 for volunteering as a fifth grade camp chaperone (54 hours)

It's easy to donate your hours – all you have to do is complete the following steps:

1. <https://microsoft.benevity.org>
2. Select "Search for a cause" and type "MCAULIFFE ELEMENTARY SCHOOL"
3. Click "track time" button
4. Input number of hours/minutes and the date range
5. Check the skills used while volunteering (ex: education, mentoring, etc.)
6. Verify that "company match" is selected for volunteer rewards
7. In comments section add the following: "volunteer hours worked at Christa McAuliffe Elementary"
8. Rate your volunteer experience
9. Click "confirm volunteer" button

Thank you for your support of our school!
